

1 Committee of the Whole not to lock this possibly fruitless
2 detailed section into our Constitution.

3 May I also add that the minority has struck
4 what we believe to be a compromise between the position
5 of delegates who urge the adoption of a state-wide nomina-
6 ting commission and those who are totally opposed to
7 the principle on the matter of principal and therefore
8 would prefer to see the governor solely responsible for
9 his selection.

10 We have attempted to take a sense of the conven-
11 tion and we sincerely believe that the majority of the
12 proponents in favor of the nominating commission as well
13 as the majority of opponents to nominating commissions
14 will find this amendment very acceptable and we urge its
15 adoption.

16 THE CHAIRMAN: Delegate Mudd.

17 DELEGATE MUDD: Mr. Chairman and ladies and
18 gentlemen of the committee, I arise to oppose this
19 amendment.

20 As you may well understand, this subject
21 matter was debated at great length within the committee.
